

# WALKING and TALKING the THIN GREEN LINE

IN THIS REGION, WE LIVE RIGHT BETWEEN GIANT FOSSIL FUEL DEPOSITS AND HUNGRY ASIAN MARKETS. OF COURSE BIG OIL AND COAL COMPANIES HOPE TO make a killing EXTRACTING & EXPORTING EVERYTHING THEY CAN.

THE THREAT

BUT THEIR pipelines, supertankers, & coal and oil trains LEAVE OUR COMMUNITIES WITH SNARLED TRAFFIC AND RAIL CONGESTION & SERIOUS HAZARDS LIKE COAL DUST, OIL SPILLS, AND EXPLOSIONS. IT ALL ADDS UP TO AS MUCH CLIMATE-WARMING CARBON AS 5 1/2 KEYSTONE XLS!

BUT, THERE'S A CATCH: THE FOSSIL FUEL INDUSTRY NEEDS US. THEY WON'T PROFIT UNLESS THEY CAN CROSS THROUGH OUR REGION. They HAVE TO GET our permission. AND WE ARE SAYING NO!

LOCAL Heroes!

OUR COMMUNITIES ARE STANDING UP TO SOME OF THE BIGGEST CORPORATIONS IN THE WORLD TO PROTECT THE PEOPLE AND PLACES WE LOVE.

Personal & emotional connections

IT'S A BIG DEAL FOR OUR FAMILIES AND FOR OUR CLIMATE. PEOPLE IN LITTLE PLACES LIKE ABERDEEN, WA, CLATSKANIE, OR, OR THE TSLEIL-WAUTUTH NATION IN BC, CAN ACTUALLY MAKE THE DIFFERENCE BETWEEN BURNING ALL THAT CARBON AND KEEPING IT IN THE GROUND.

WHY IT MATTERS

FOR EACH COAL EXPORT TERMINAL, OIL-BY-RAIL FACILITY, & GAS OR OIL PIPELINE, we have a choice: WE CAN ROLL OUT THE RED CARPET FOR THE OIL AND COAL COMPANIES, MAKING IT EASIER FOR THEM TO WRECK THE CLIMATE and RUN ROUGHSHOD OVER THE PLACE WE CALL HOME—POCKETING THE PROFITS WHILE WE PAY THE PRICE. OR...WE SAY NO WAY, AND MAKE BETTER ENERGY CHOICES FOR OUR KIDS AND GRANDKIDS.
